

Notification of Price Increase for Treatments

First of all, allow us to thank you for being such loyal and consistent patient to Discover Wellness. Your satisfaction is very important to us, and we hope we have been successful in providing you with excellent customer service and therapeutic benefits.

To allow us to enhance our services and offer more to you as our patient, our new rates will reflect the individual RMT's ability and experience within the health care industry. We feel that this will provide you with the opportunity to increase the effectiveness of your treatment and help you meet your goals.

We are committed to being leaders within the massage therapy community and we appreciate your continued support as we evolve into this role

As of **October 15th, 2018:**

Treatment Type	NEW TALENT	SKILLED	EXPERIENCED
30 Minute Treatment	\$55.00	\$65.00	\$75.00
45 Minute Treatment	\$75.00	\$85.00	\$95.00
60 Minute Treatment	\$90.00	\$100.00	\$110.00
90 Minute Treatment	\$125.00	\$135.00	\$145.00

(all treatment rates include applicable taxes)

With these new treatment rates, your treatment will now include complimentary services, such as water, tea, hot towel wraps, Discover Wellness' premade aromatherapy blends, and a premium level of customer service.

New Talent (new gradate to 4 years experience): Patients will receive treatment from a qualified Registered Massage Therapist that is developing their own style and gaining experience to achieve and aid in your health goals and needs.

Skilled (2 to 10 years experience): Patients will receive treatment from a qualified Registered Massage Therapist that is comfortable within their treatment space and dealing with the body. The Therapist can effectively treat various types of acute and chronic conditions, and will offer treatments with specialized modalities and advanced techniques.

Experienced (8 to 10+ years experience): Patients will receive treatment from a qualified Registered Massage Therapist that is comfortable within their treatment space and dealing with the body. The Therapist can effectively treat various types of acute, chronic and difficult issues, and will offer treatments with a variety of specialized modalities and advanced techniques.
